

GRIFFIN CHAPEL UNITED METHODIST CHURCH

212 West Main Street Starkville, MS 39759

Pastor's Corner

It's July. Lots of stuff is happening this month. July is a time of celebration and Jubilee throughout the nation. Vacations are nearing the end as families are preparing to start school for our youth. College students will soon return to the Starkville area as well.

Annual Conference just ended and there was so much that was discussed throughout the week. The biggest thing was expressed was "From DISAFFILIATION to DISCERNMENT to DISCIPLESHIP." We must continue to move the conversation forward as we make disciples. We mourned, cried, and blessed the 189 churches that have disaffiliated. It was a rough service, but we are hopeful for the churches that will remain. The Bible is constantly challenging us all to move forward. "The righteous keep moving forward and those with clean hands become stronger and stronger." Job 17:9 (NLT)

Later in the month of July we will celebrate our Annual Revival. I want us all to use this time to allow God to reawaken our spiritual vigor as we continue to move in our Christian journey of life.

I want us to continue to make Griffin Chapel a church full of stewards who are willing to help those in need in our community. I pray that we all continue to receive blessings in the days ahead.

Elder Randy J. Jones, Pastor
